

WINE TASTINGS @ OAK N4

We're passionate about sharing our wine knowledge with you. Our tastings are gently challenging to help you enjoy and understand wine more fully.

Like everything at OAK it's all pretty informal, but no less informative. Either in pairs or larger groups, you'll get to taste and compare selected wines and find out why you may prefer some characteristics over others.

Talk to a member of staff or email wines@oakn4.co.uk to book your place.
